

wedding 3rd October 2009
Julia and Ferg

Dear Ken

I'm sorry this is rather late but the week after the wedding flew and then unfortunately I was ill!

Please accept this token as a huge thank-you. The wedding was wonderful, enjoyed by all our diverse friends and family.

I wonder whether you chose to become a Toastmaster or whether it was one of

those happy accidents — either way it was a resounding success as a career move!

You skillfully steered the wedding with a quiet, shrewdness which reassured all. The only wobbly moment was my husbands speech — which everyone enjoyed by the feedback we received — but could have won an Oscar for the longest in living memory!

Many thanks again
