

Dear Ken,

Chris and I would just like to say a big 'THANK YOU' for making our wedding 'stress free'. You made us feel so at ease because we didn't have to worry about timings

etc. and was just able to enjoy our special day.

Your professional, yet friendly approach was much appreciated. Your kind and encouraging words when I was wavering a little during my speech, helped me to carry on. Thank you so much, Ken.

Kind regards

Chris + Diane Smith xx
