

26.8.07

Dear Ken,

Thank you so much for the part you played in, and leading up to, our wedding day. Quite a number of people have commented on what a great job you did, and one friend assumed that you were a friend of the families as you were so friendly and supportive. I know that you were a great support to Mum - who did an excellent job too!

With many thanks and
kind regards,
Debbie and Paul
