

27.07.10

Dear Ken,

Thank you so much for helping to make Sunday 25th July such a special day for Fran and Steffen. We really welcomed the support you gave us in the days approaching the wedding and your professionalism and expertise helped the day to run so smoothly. All of our guests commented on the superb way you managed the day for us. We have heard today that the Ashes, on their web page, were also most impressed!

Kind Regards, Janet & Peter G.
