Dear Ken,

We would like to take this opportunity to thank you for your excellent services at our wedding on Friday 8th July.

Your warm, friendly and assertive manner made sure our day ran smoothly. The support you gave us and the other members of the wedding party was tremendous. We truly hope you enjoyed being part of our special day as much as we

enjoyed having you.

We would thoroughly recommend you and your services to anybody, and hope to see you in the future.

With fondest wishes

Kimberley and Neil Hughes
