

22 June 2004

Dear Ken,

Just a brief note to thank you so much for all your help on Saturday. I am absolutely sure we would not have had such a splendid and successful day without your hard work.

Lucy and Nick were both delighted and thankful for your help, and have asked me to pass on their thanks, the whole day went exactly according to schedule. Everyone had a thoroughly wonderful day (even a naggy mother of the bride).

Thank you so very much.

Yours sincerely,
