

Dear Ken

I just want to take this opportunity to thank you from the bottom of my heart.

Your help and guidance through the day was so much appreciated on the 26th April when my darling daughter Caroline, married Robert. What a day it was.

It was full of happiness and sunshine and of course nerves.

In your capable hands everything flowed so smoothly and you really made us feel very special.

Thank you again Ken. You are a star.

Sincerely
Polly Bensford
